## Creavit's Design Philosophy

Creavit's young and dynamic Design Team creates elegant, functional, and award-winning products, entering millions of homes worldwide.

Creavit believes in the power of unique and exciting designs tailored to customer needs and employs a young and dynamic team to create many iconic products for bathrooms around the world. We demonstrate our dedication to design by collaborating with national and international figures who have built a compelling personal brand over the years, which helped us develop many products with award-winning designs.

#### Creavit Design Team

The Creavit Design Team demonstrates the vision of Turkish designers by pioneering global bathroom fashion with its signature creations: the Free pan that found its way to hundreds of thousands of bathrooms around the world, the Spiral Washbasin inspired by the flawless design of nature, the 5-millimeter extra slender Ultra and Loop Washbasin, and the Design Award holder children's bathroom Ducky.

To transform premium and elegant designs into functional bathrooms that serve needs, Creavit works with these famous designers:

#### Maurizio Duranti

He was born in Florence, Italy, in 1949. He currently lives in Milan and teaches at the University of Genoa Faculty of Architecture and Istituto Europeo di Design (IED). Duranti designed the Slim series for Creavit.

He presented many personal exhibitions and won numerous certificates of achievement from "The Good Design Awards" in the United States in 1996, 1997, 1998, 2003, and 2005.

His works are currently exhibited in popular museums all around the world.

#### Seda Palanduz

Seda Palanduz, the designer of the Bevel faucet series for Creavit. graduated summa cum laude from the Yeditepe University Industrial Design Department. She has won over 10 prestigious national and international awards, including the prestigious Design Türkiye Good Design Award, Plus X Design Award, and the A' Design Platinium Design Award.

With her Bevel design, elegance is now within everyone's reach.

The world-renowned Turkish designer Defne Koz is the co-founder and partner of Koz Susani Design, an innovative and award-winning studio in Chicago, United States.

She designed the Foglia series for Creavit by combining

Creavit's philosophy, bringing a

breath of fresh air to bathrooms.

inspiration from nature with

Defne Koz

#### Designed by Defne Koz for Creavit, the Foglia series won the BigSEE Product Design Award 2019, the IDA Design Awards 2019 Honorable Mention, and the Silver Award at the A' Design Awards 2019 in the categories of Bathroom Furniture and

Defne Koz has also won many other international awards.

## More Colors More Models

Anthracite, cappuccino, basalt and black toilet bowls in the Free series bring a breath of fresh air to the bathroom decoration.

Free that offering a model alternative in the pan; it meets the needs of each bathroom with wall hung, wall-mounted and reservoir type toilets.

## Superior Hygiene with Free Rim-Off Pan

Free Rim-Off pan, which eliminates the possibility of sheltering bacteria in invisible areas thanks to its rimless inner structure, also provides convenience and savings during cleaning.

## Integrated Simplicity and Convenience

Free integrated bidet nozzle pan eliminates the appearance of faucets and pipes on the bathroom wall. In addition to a stylish appearance in the bathroom, the control over the closet provides comfortable use. Moreover, hot and cold water can be adjusted.

With its wide family of toilet bowls and bidets in different models and colors, Free meets bathrooms with comfort, aesthetics and hygiene.

## Holistic Approach To Design

With the Free series, the whole bathroom can be decorated. The free set top washbasin perfectly complements the elegance of the series.

# Easy Clean

# Quick - Release Seat&Cover

With Creavit's single-action removable toilet covers, all surfaces can be easily cleaned. Creavit recommends the use of toilet covers made from antibacterial duroplast, as they are typically the most touched bathroom surfaces.

# **Creavit Hygiene**®

Creavit helps reduce bacteria formation by 99 percent on ceramic surfaces thanks to its special Creavit hygiene technology, which is used in glazing and approved by independent organizations, including the Turkish Standards Institution.

# Great convenience in a compact size

## Slope Washbasin Faucet

The Slope washbasin faucet is designed by Creavit to provide the perfect quality of water, thanks to its curved structure.

## Quick-remove aerator

The Slope washbasin faucet features an aerator that can be easily removed for cleaning using a single coin. It prevents clogging in the aerator caused by hard water.

## Life-enhancing curve

Due to its curved structure, the tip is positioned level with the water outlet. This helps maximize efficiency from washbasins and flowing water during use.
